Immediate Plans

- Have weekly meeting with client
- Discuss further implementation plans, whether to add new client requirements
- Brainstorm on possible improvements on speed with respect to algorithm and internal data storage

Comments

No comments.

Client Meeting Notes:

Client meeting was held due to the signing of forms for the conference in June. Deadlines for volunteering at the conference was discussed and also ideas for the one minute madness. The meeting ended with further brainstorming on how to present this system in a way that will best portray why it is note worthy.
